4Q. What is trade mark and procedure of its registration and distinguish between trade mark, service mark, and property mark. Ans:- Trade mark is necessary for the identification of product, any product gets reputation in Marks, Because of trade mark there was trade mechanalise Mark Act was passed in 1958 and it has been amend and now there is trademarks Act 1999, trade mark is defined as description of the product and it shows, name, number, quality and weight of any product. There is difference between trade mark and property mark. Trade mark is only relating description of product or the goods. Property marks shows name or surname of the owner or manufacture of the goods. Ex.:- Camel product is the trade mark. But Bajaj product is mark relating to ownership called as property mark. Bajaj is the surname of manufacture and therefore it is property mark. Manikchand gutkhais property mark because Manikchand is the name of manufacturer of the product.
